

GUIDE TO DETERMINING YOUR RING SIZE

0 10 20 30 mm

- Ring sizes are extremely precise. For accurate measurement, carefully follow the instructions below.
- Before printing, make sure that the page scaling is set to 'None' in the print dialog box.
- (To open the print dialog box, press CTRL+P.)
- Measure the line above: it must be exactly 30 mm long.

MEASURING THE RING

- Choose a ring that fits the desired finger properly.
- Place the ring over the circles below so that the inner edge of the ring aligns with the closest circle size.
- This indicates the inner diameter in millimeters.
- If the ring falls between two sizes, choose the larger size and let me know when ordering.
